Our E.M.J.C.

*E.M.J.C. is a school in which
The heart delights to dwell,
A school where smiling faces
Cast a warm and friendly spell;
Where a kindly word's the music
That re-echoes through the halls;
Where many precious memories
Are paintings on the walls.
E.M.J.C. is a school that's full
Of joy day after day
With its people, such as YOU.*

F o r e w o r d

The 1951 LION staff has selected for the theme of our yearbook, "Echoes of the Past." In doing so, we have wanted to show how the past finds expression even in our modern world of culture and progress. Twentieth century students continue to respect the rich heritage from earlier civilization.

THE STAFF

"O antique fables! beautiful
and bright
And joyous with the joyous
youth of yore;
O antique fables! for a
little light
Of that which shineth in
you evermore,
To cleanse the dimness from
our weary eyes,
And bathe our old world with
a new surprise
Of golden dawn entrancing
sea and shore."
... James Thompson

NATIONAL GUARD HONOR GUESTS

On August 29, 1950, the 123rd Medical Collecting Company (Sep.) Mississippi National Guard, stationed at Scooba, was called to Fort Benning, Ga. for active duty in the United States Army. This was a big loss to EMJC, as the company was composed of 50 of EMJC students. Several of EMJC's outstanding football players were in the group.

Saturday, September 23rd, the 123rd returned to Scooba to attend the football game between EMJC and Northwest Junior College, which was dedicated to them. During the half, the 123rd and came to attention in front of the Scooba grandstand. At this

household equipment. The section of this building was arranged into a common apartment and an office.

The campus store has ranged into a recreation where students can spend their free time and themselves dancing, games and having fun.

This building department with Club, and various organizations.

Last but not least, the student's home building within the campus are the best of the school.

Don't forget to go to the football game with Billy Johnson.

Johnnie Mayatt has been a wonderful Lion.

TEACHER OF THE MONTH

We have chosen as our "Teacher of the Month" our history professor, Dr. James E. Dean.

Dr. Dean was born in Birmingham, Ala. and is the oldest of a family of twelve children.

As a small boy he attended his first school, a three month summer school. Educational facilities were very poor and soon he had obtained all the education offered in his section of the state.

Early in life he was converted at a revival meeting and joined the Church. Dr. Dean felt the ministry. Ark. Church licensed his first text.

SUPER SNOOPER E.M.J.C. Rated Second In Nation

Why not read this for a while instead of spending half a day trying to guess.

As you know, Leslie Story is a girl friend at home, but if you see him and Faye, you could have seen him and Faye.

Billy on the band bus—Oh, well! The Currie can get a girl during the football games, but when the game is ended, his date walks off the field with a Lubbock Ma-

James Sorry, Knight, when are you going to give up trying to win the Tootsie back? You have already had your chance.

Johnnie Mayatt has been a wonderful Lion.

Don't forget to go to the football game with Billy Johnson.

Homecoming Today! Ruth Johnson, Queen

MISS RUTH JOHNSON

Miss Ruth Johnson, standing figure on the cover of the Mississippi Junior College yearbook, was chosen by the students to reign as their Queen for the coming September.

Miss Johnson has a high school diploma. She graduated from Hill high school in 1948. It was the same year. It was the same year. It was the same year.

Miss Johnson is a member of the Baptist Student Union, is also a member of the Baptist Student Union, is also a member of the Baptist Student Union.

Homecoming is today at 4 o'clock through the grandstand tonight at 8 o'clock. HOME EVERYONE.

MR. SEP

Mr. Jimmy (has been chosen September. His friendly manner has been chosen.

HI SCHOOL CHATTER

Martha and Maroney are a steady twosome now. She's sporty. We've seen Dot Agnew and John Carter together a lot lately. What about Hale, Dot? Well, "I'll tell the world about you," says Bill Travis to Hor. Ouida and Stan are still going strong. Real cute couple. It seems like Dot McConnell and James Gillespie enjoy sitting out under the trees or could it be elected. They enjoy one another? Thursday, Friday, Saturday, Sunday!!! Pat Watt and Billy Fulton are certainly hitting it off Green, Le. It took Perkinson's team and far they are the hospital to do it, but Stovall two games, and Faye finally got together. in better order. a library there, so all. (Continued on back page) job

The Coach

This football season was not a satisfactory one for E.M.J.C., for an athlete or coach can never afford to be satisfied with anything short of perfection. However, it was the most successful football season I have ever had or expect to have. Last July I was anticipating fielding the finest junior college team in the nation; yet after our National Guard unit was federalized, even people here on the campus asked me if we had enough boys left to have a team.

Despite many handicaps, the Lions closed the season with an astounding record.

Speaks

THE TEAM DID THIS:

Played the toughest junior college schedule in America—13 games in 11 weeks, ten of the games off the campus.

Had the most successful season in the school's history.

Scored 391 points per game.

Pulled the biggest junior college upset of the year in defeating Little Rock, last year's national champion.

Played the Mississippi junior college "game of the week" four times.

Participated in the school's first bowl game.

Was the only team in the history of Mississippi ever ranked as high as second in a national poll.

Placed the only junior college player on the honorable mention list of the All-American team.

Had the grandest and most loyal student body behind us of any team in the world.
